Everyone can participate in fundraising. We have all the current fundraisers on the board by the front door, as well as listed on the [website](#). All funds received from fundraising is put into your online account. If you want to use the funds for anything, just let Miss Jen know what you would like to use it toward. It can be put towards costumes, classes, or even some of our awesome swag . If using it for costumes, please just write a note on the permission slip.
