

DJS Newsletter

NOVEMBER 2016

HIGHLIGHTS:

- Website Info
- 2018 Dance Cruise
- Light Up Night
- Fundraisers
- Important Dates
- Birthdays

Our Website

If you haven't visited our website, now might be a great time to familiarize yourself with it. We're constantly updating it to keep you up to date with important info.

On the front page is our calendar, which you could sync with your smart phone, instructions are on the page.

Missed a newsletter? Don't fear, we also have them on our home page. All important documents will be posted here. Also keep an eye on the fundraising page. We will have all the current and upcoming fundraisers listed.

If you frequent the page, you might notice there is a new tab on the page DJS Swag. We're rolling out our new bling lineup of apparel. We will be adding more designs over time as well, but there are a few designs for the initial launch. *Please note all these items are being made to order, so you will have to give us a few days for production.*

2018 Dance Cruise

DJS will be hitting the high seas in the Summer of 2018. We are working on details, but now would be a great time to start fundraising to start saving up money to make this awesome experience easier to afford. All dancers are welcome to join us, and we will be giving more info once it is available. We are working with one of our dance moms, Tina from [Mystical Dream Travel](#). To the right is a photo from the workshop with a couple of the cruise line dancers, from our 2016 cruise.

Text Alerts

Want to receive a text message when there's an important update from the studio? Sign up for DJS Text Alerts. To signup please use the following guide to get on the alert list you would like to be a part of. If you have class multiple days in the week, be sure to subscribe to each class day. There is also a separate alert for our elite dancers. The text alerts will be used for important updates like cancelling class due to bad weather. For more information please visit our website @

http://dancinjsstudio.com/about.html#text_alerts to learn how to sign up for your class day(s)
