

# DJS Newsletter

OCTOBER 2016

## Welcome to our 14th Season

We would like to welcome you to DJS!! Over the summer there have been some major improvements to the studio. We added a third dance room, and a big addition to the waiting area. We have also added sprung floor and new marley to both Rooms 1 & 3!!

### HIGHLIGHTS:

- Welcome to DJS
- Halloween Party
- Fundraisers
- Important Dates
- Birthdays

At DJS we take pride in keeping our studio safe and clean for our students and families. Please be mindful in cleaning up after yourself and your children before you leave. With the major growth, we need your help to keep our studio safe and clean for everyone!

## Musical Theatre

New to DJS is our Musical Theatre class taught by Miss Lena. It is a class designed to teach students more about the performing arts. They will learn to open up on stage & use their stage presence, along with acting. A great supplement to our dance classes!

\*\* This class is billed separately at \$35/mo\*\*
